## NETWORK WORKSHOPS: EVANGELIZATION THROUGH MINISTRY

### **EVANGELIZATION. PRAISE. WORSHIP. Cultivating a Faith That's ALIVE!**

January 22, 2026  
Jesse Manibusan

Nothing new here, just an essential reminder to keep showing up and let the Holy Spirit do the heavy lifting. There is no life-hack for faith. There's just living, learning, unlearning, and discovering that God's transforming grace is always flowing. MUSIC is a powerful way to receive, give, and grow in the hope, love, and compassion of God.

### **Effective Christ-centred Pastoral Care in Family, Youth and Young Adult Ministry**

February 19, 2026  
Anne Walsh

Grow in understanding of pastoral care as an essential component of family, youth and young adult ministry as a means of encountering Christ. We will explore diverse aspects of pastoral care, including promotion of healthy practices, prevention of at risk behaviours, care for youth in crisis, grief support, mental health awareness, spiritual practices, and social engagement, and advocacy for comprehensive youth well-being.

### **From Word to Witness**

March 19, 2026  
Sr. Sue Kidd, CND

A workshop that highlights the important relationship between what we know and who we love. Catechetics grounds us in the rich tradition of our faith and Evangelization sends us out to live it in ways that spark the interest of those with whom we walk.

### **Encountering Christ through Transformative Social Action**

April 16, 2026  
Luke Stocking

This workshop will discuss how initiatives rooted in Catholic Social Teaching can be foundational moments for Evangelization, and a source of ever-deepening relationship with, and through, the Christ who saves.
